St. Louis High School
Lake Charles, La.
Volume V
1975

At St. Louis . . .

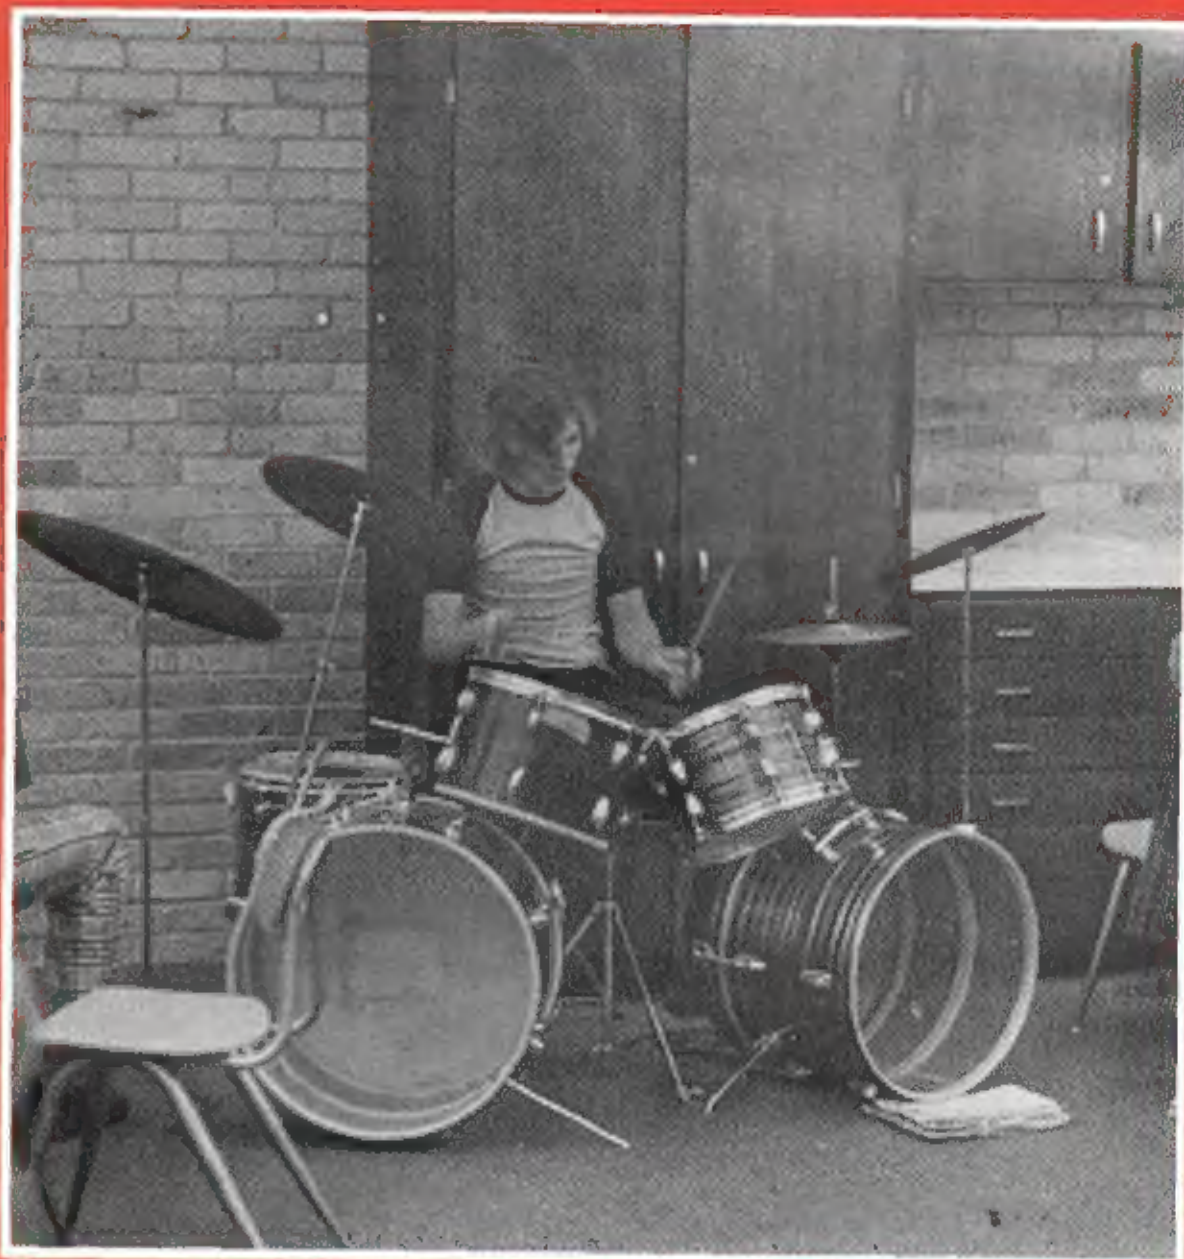

. . . life is a smile from Mr. Stubbs--a glimpse of the sanctuary--and the unity that sparks school spirit . . .

. . . it is discovering who we are and that beauty
that we possess.

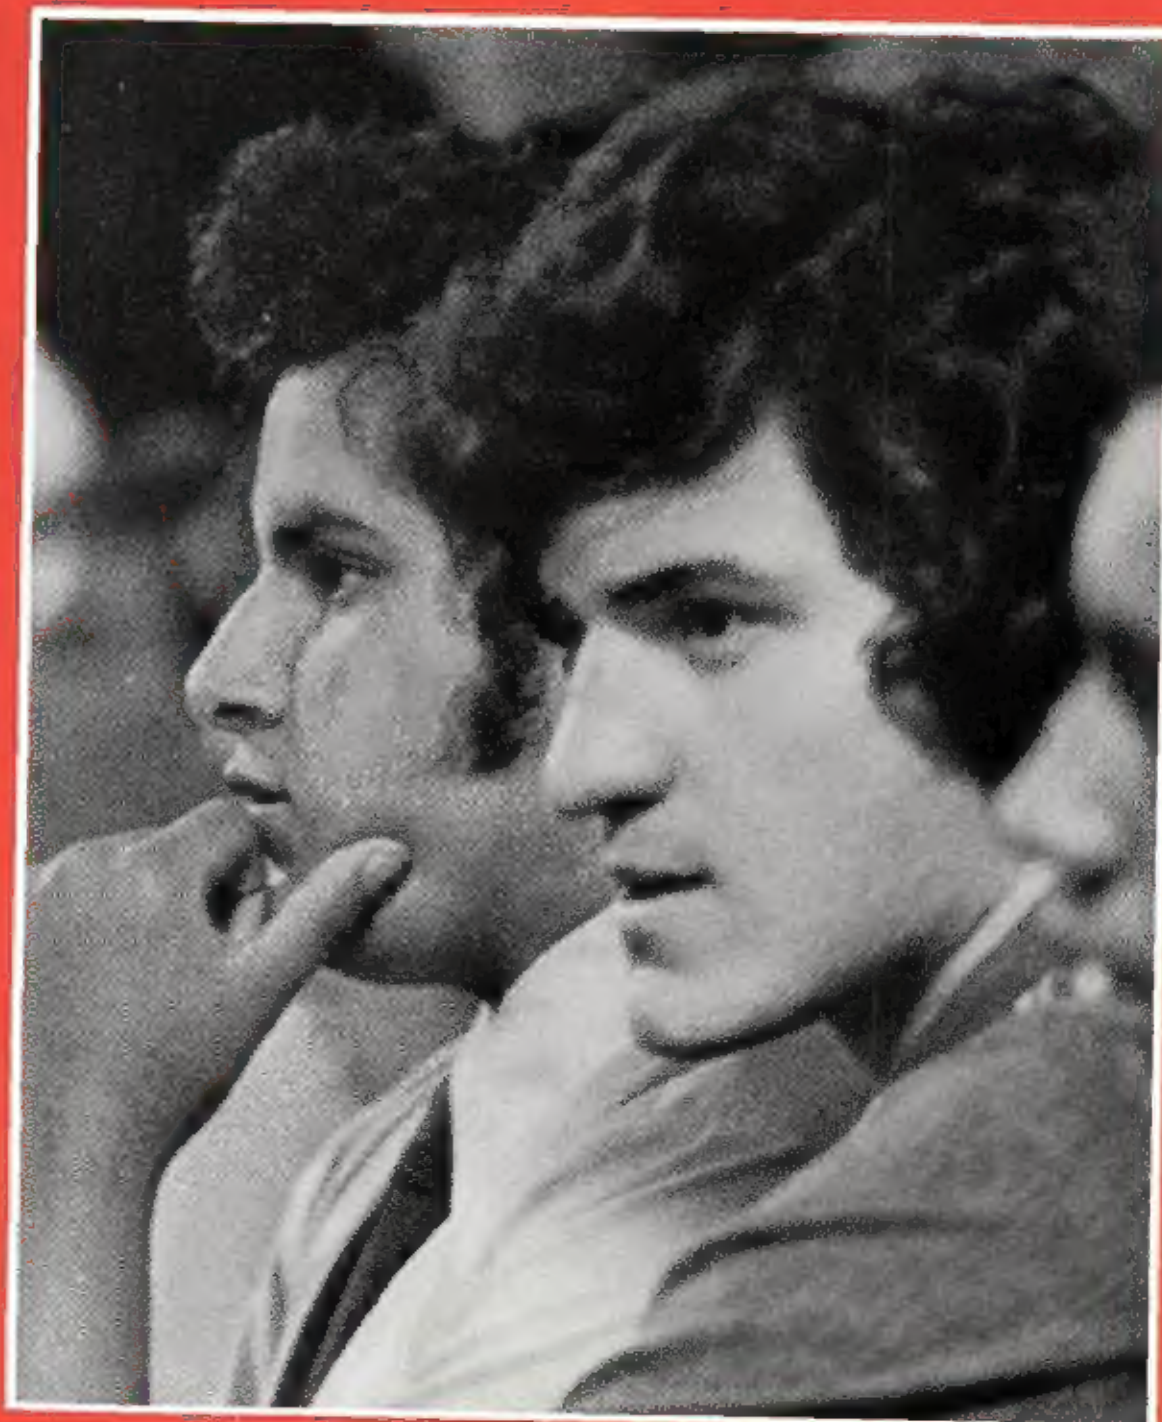

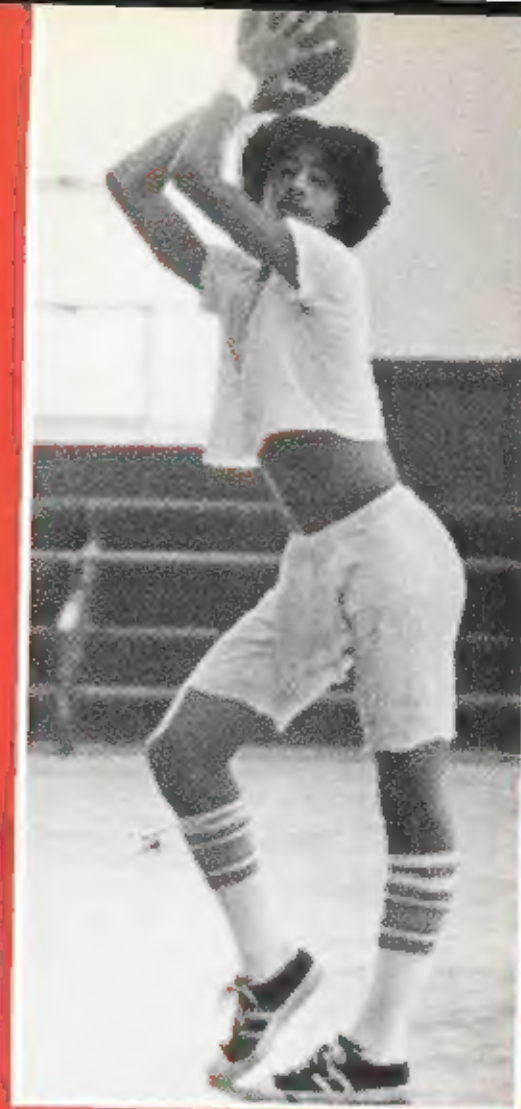

Life is the friends we make in Biology class . . .
wearing 12 long years on one finger . . .
paying student council prices for paper . . .

Attention
all Typing
Students !!
Buy your
typing paper in
the
Student
Council
Store !!!!!

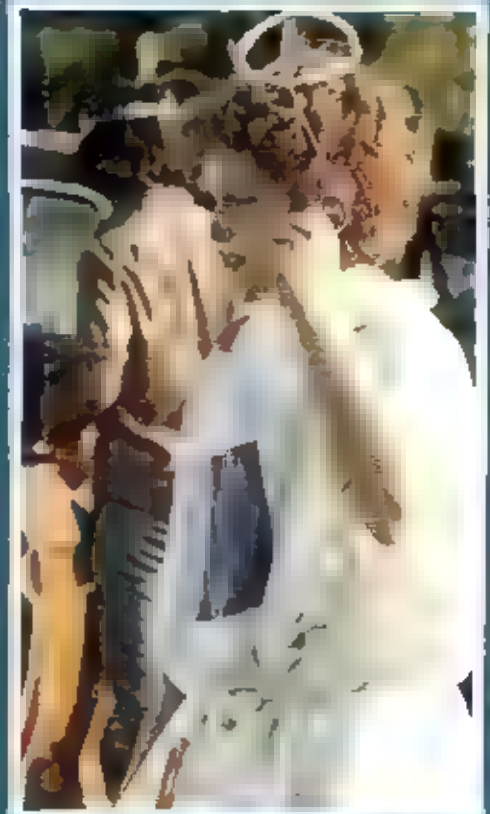

. . . it is "dancin' to the music"--it is having a gorgeous bod,
and concentrating on the devastation of the "enemy".

Life is creation and the laughter
of friends.

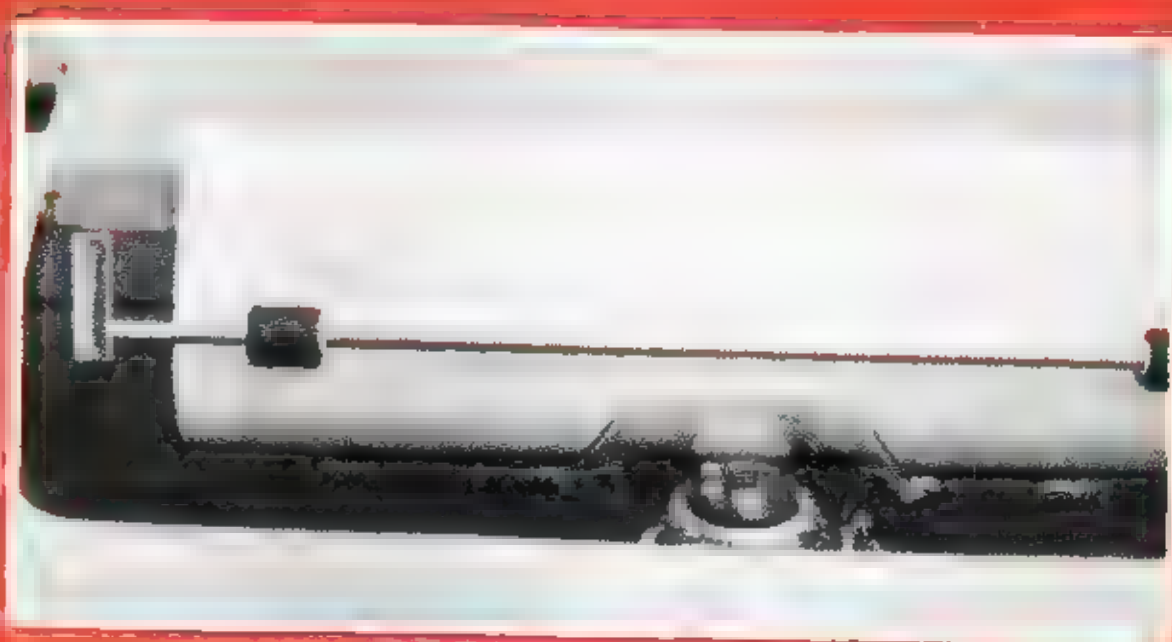

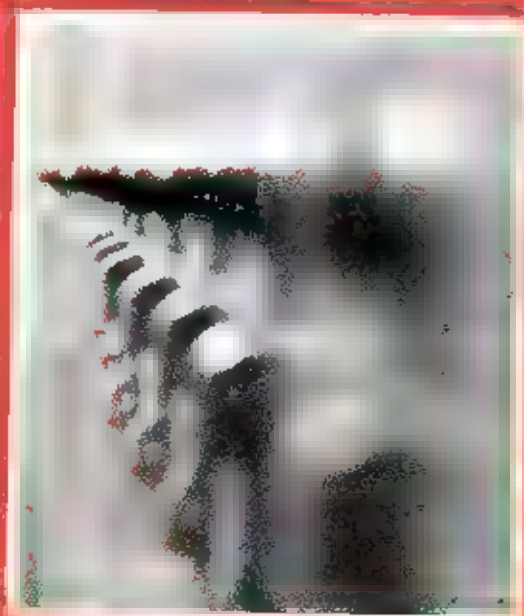

...getting involved in community projects
other peoples lives.

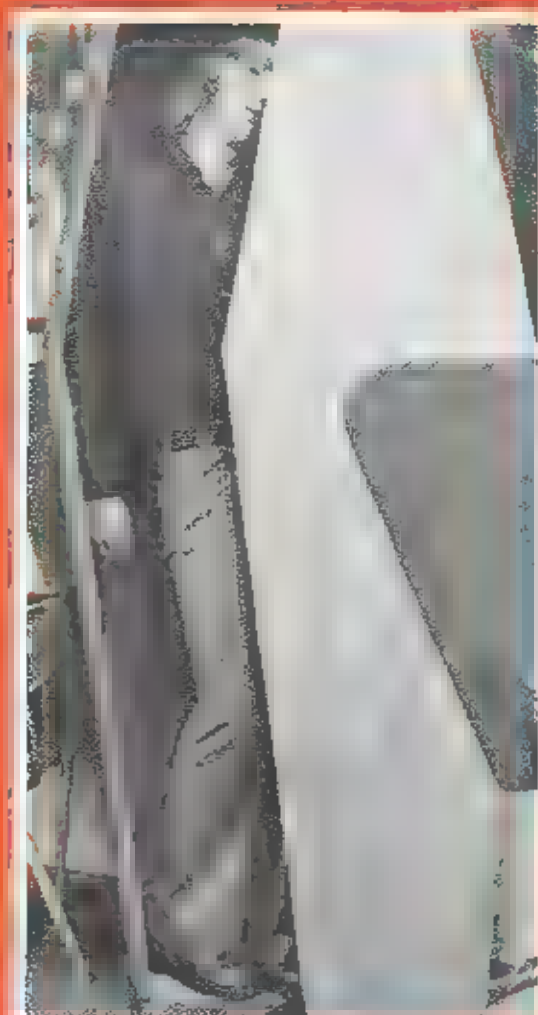

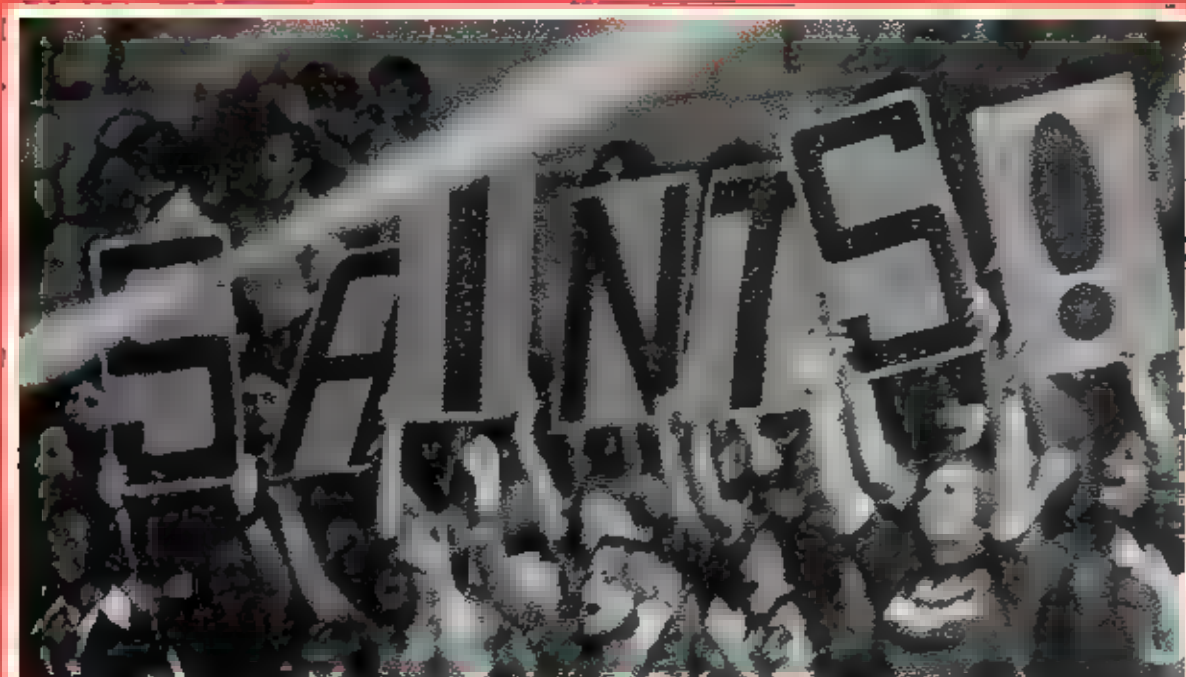

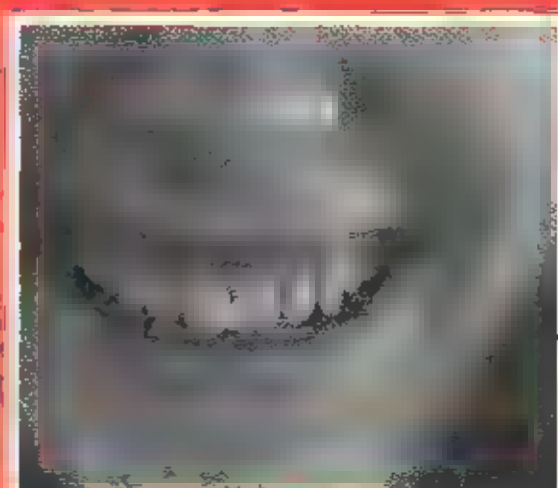

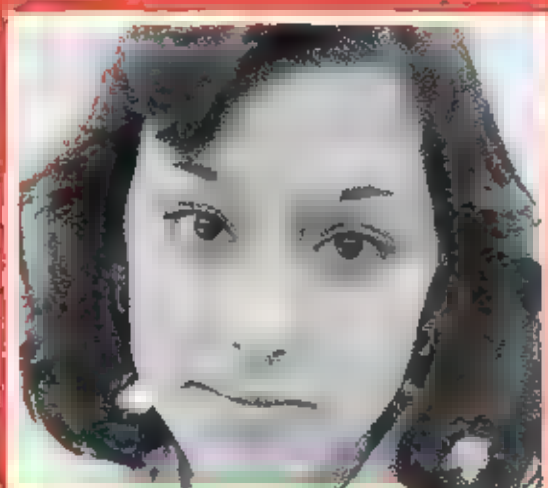

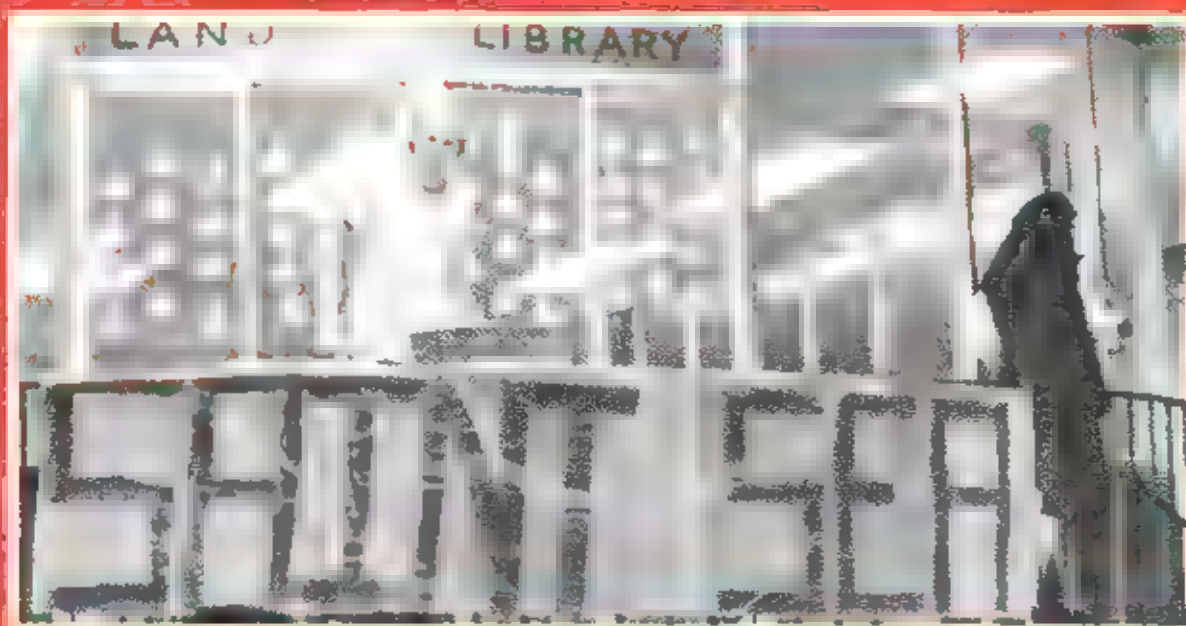

Pep rallies, lockers that get stuck, confused typing students and loyal pencil pushers---

all an irreplaceable part of what we're all about.

Many different faces make up the complete picture of St. Louis High. Without them all we wouldn't be who we are--even if these faces belong to frog eaters, wetheads, mad physical science teachers and sexy seniors!!

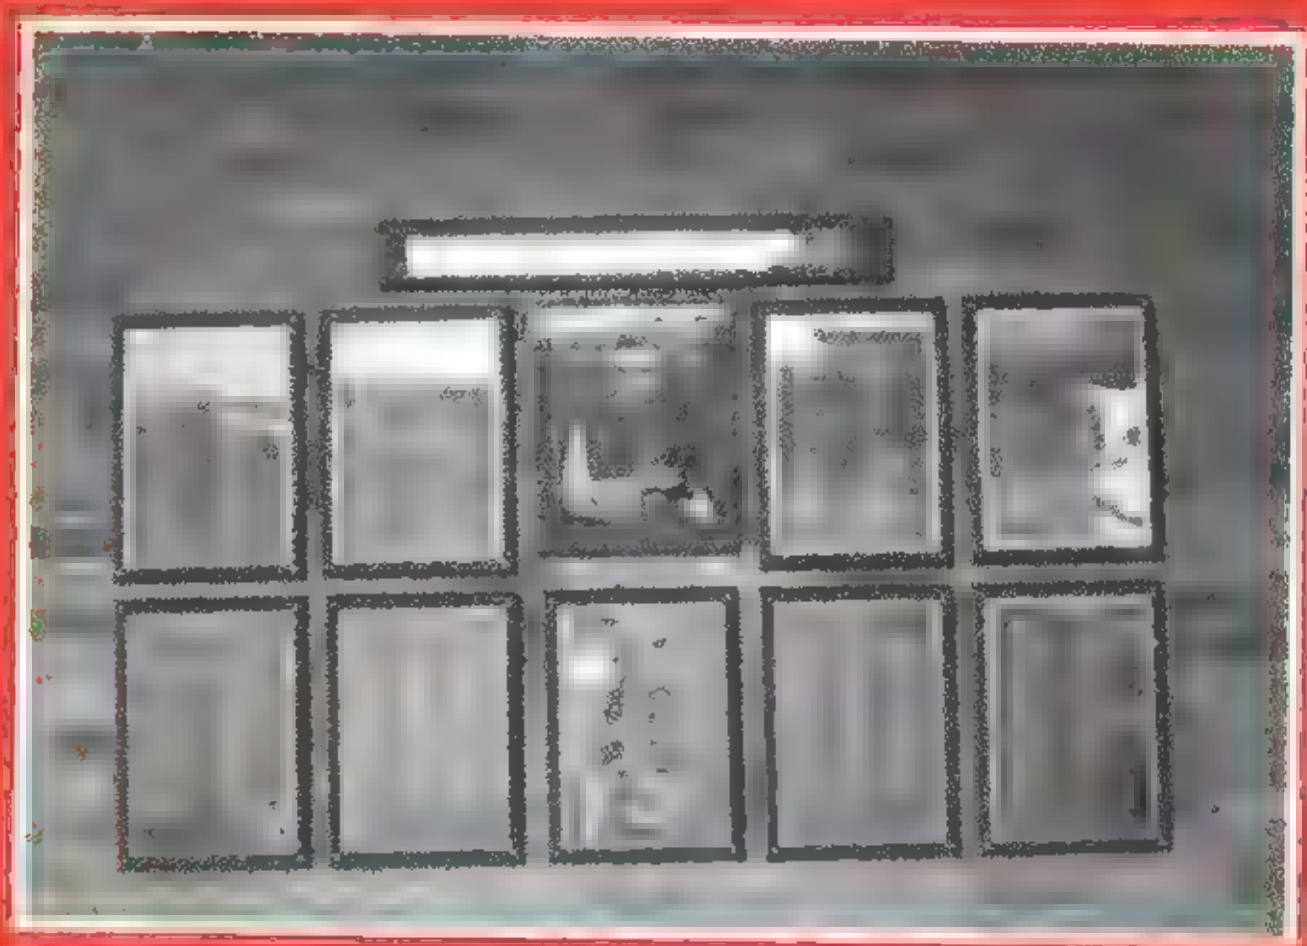

Even if those faces belong to
gossiping fans, NOT so sexy
juniors, gamblers pretending to
study, and...
they exist
an SL.

what more can you ask for?

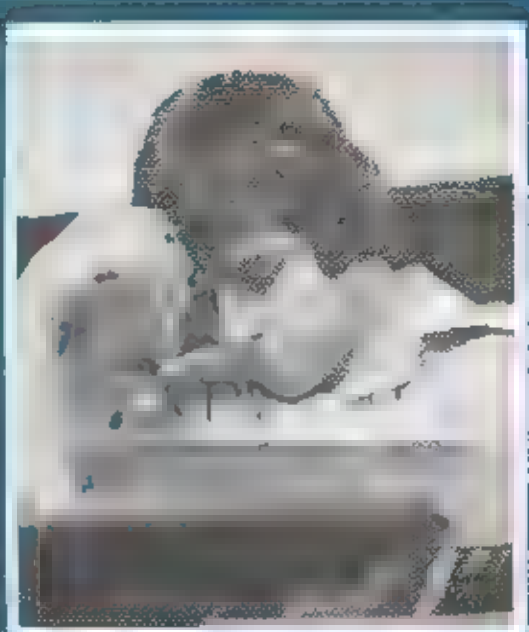

How can one adequately express thanks for a source of life! To a large extent, we are the people we are because Msgr. Louis H. Boudreaux was with us. He is the man, who for so many years, saw us through the thick and thin of it all. It has often been his enthusiasm and encouragement for Catholic Education that has facilitated such growth for us in Calcasieu Parish. Indeed, his personal, physical presence with us will be sorely missed; however, all of us know that his prayerful, watchful eye will often look in our direction, and that he will intercede to the Father for us.

Let us live the Spirit that Msgr. Boudreaux instilled in us all!

Left: St. Ignace's led down in the 6-100 losing area that was a 10-0 advanced with last. Patricia and Ray, tried the photo when they were and again for Diédré kept the spirit for another Saint victory.

Father Charles LeBlanc, Administrator

May I welcome all of you to this style of visit with the faces and personalities of St. Louis High School.

For us who have spent the days and hours of 74-75 in this building, it has been a year of growth. We have used this time to realize the value of friendship and community. Hopefully, we have all taken a major step, through this year with the family of St. Louis, to come to a closer and deeper knowledge of God.

Christ has been explicit in his command to discipleship . . . COME FOLLOW ME . . . We have learned in curricula and in extra-curricula activities how to follow better. The challenge for us now is to facilitate an even greater growth by a deeper actualization of our potential to love.

It is my hope that as we page through this volume of "Spectre", we may come to a more complete knowledge and understanding of Him who is Love.

God bless all of you and good luck to the grades of '75.

Fr. Charles LeBlanc

Mr. Vernon Keating-Principal

Principal

The academic program, the warm, friendly student body, the outstanding faculty and the beautiful physical plant have created a tremendous amount of interest among members of our community as well as educators and citizens outside our immediate area, resulting in many, many visits to our school by interested and just curious people who were impressed by stories related to them about our school.

As we thumb through the pages of this 1975 yearbook *Spectre*, it soon becomes evident that the staff captured all the fine qualities of St. Louis and provided a visit to those who could not physically be here during the year. For accomplishing this task and the Spirit of St. Louis, the staff is to be commended. So let us say to you, "Congratulations on a job well done!"

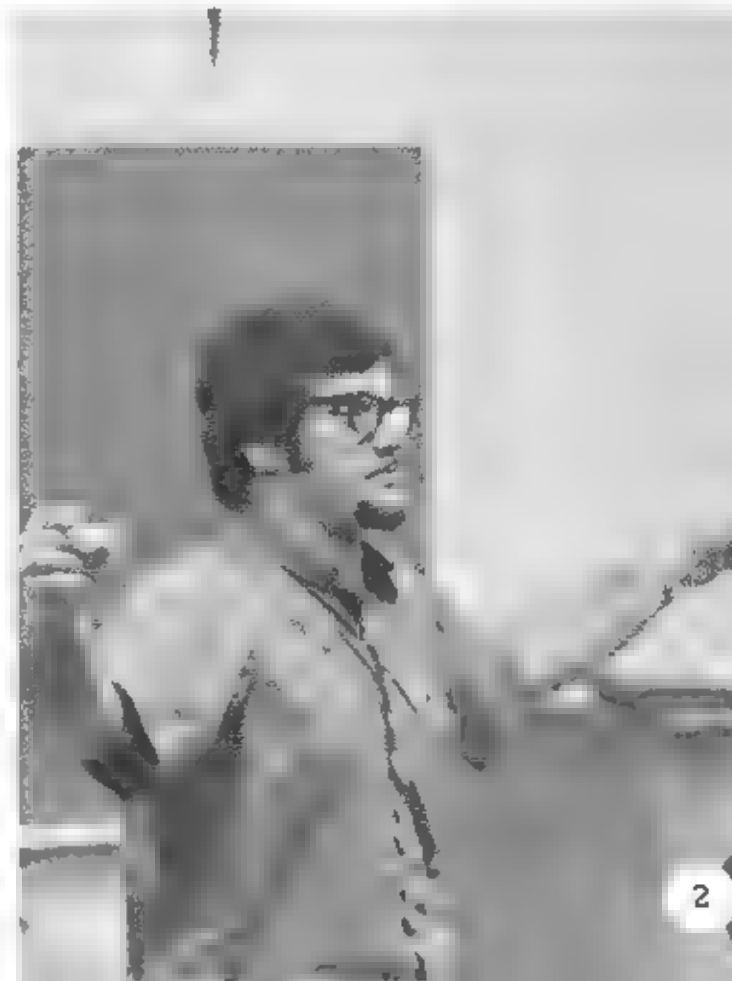

Advisors

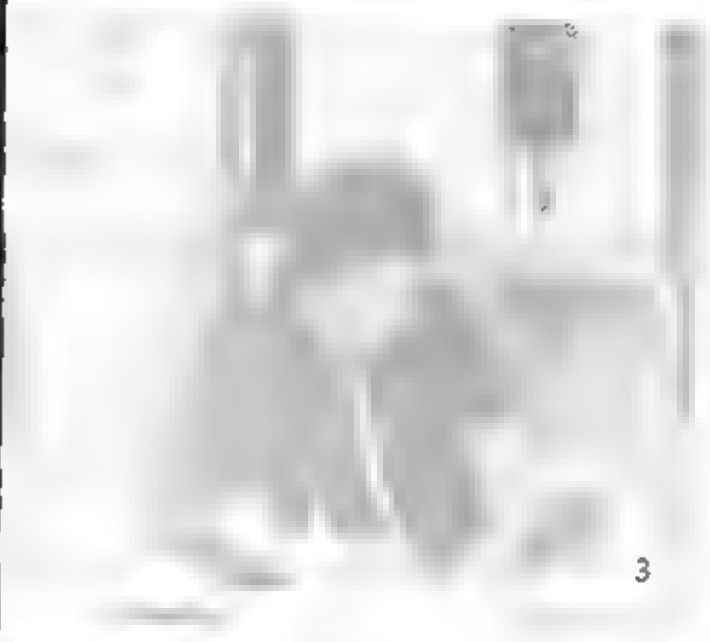

Adding to the everchanging scene here at St. Louis, a new counseling program was initiated last year called Teacher-Advisor (otherwise known as T.A.). The program tried to associate every student with at least one faculty member to whom they could discuss any problem. In the case of conflicting personalities, a student could have the T.A. of his own choosing.

At the beginning of last year, Fr Regan, speaking in the name of the Student Council, voiced the goals and activities he hoped to accomplish in what was the coming year. He wanted to sponsor dances, Homecoming, Tacky Day, Teacher Appreciation Day, a Concert ticket raffle, cake sales, a talent show, and a Student Council Day, most of which were pulled off, and with varied success. We thank Fr. Regan for getting the Student Council debts paid off and for exhibiting his leadership at the Student Council meetings.

CLC

Have you ever wondered who takes care of the chapel, banners, school masses, etc? Or who were the ones behind the money collecting for world hunger and many other Christian deeds done in the school? Well, its the CLC-Christian Life Community. Their purpose was to influence the Christian attitude of those at St. Louis. This is definitely achieved through their various activities and good will.

The Staff of '75

This year, the yearbook staff was composed entirely of girls except for our benevolent dictator Burke Crews. He was also the only "experienced" staff member. You could say it was like on the job training. We also grew closer together like one big, happy family. Miss Paula Taylor, our advisor, stayed by our side during the year to give us her help, advice, and encouragement.

Medical Careers Club

With the help and consideration of twenty-seven students, the Medical Careers Club brought together young people interested in health and explored opportunities and requirements in these fields. To advance this ambition, they went on a tour of St. Patrick's Hospital, and had a different guest speaker each month.

National Honor Society

The National Honor Society involved its members in the planning of a Mardi Gras Ball which was a special and unique occasion. They were responsible for the election of the Krewe of Lucidus, which was named for the St. Louis Chapter of the Honor Society. The St. Louis student body also had the opportunity to see the new members of the NHS inducted during April of '75. The members are chosen by the faculty for their character, leadership, service and scholarship.

The Gospel According to St. Louis

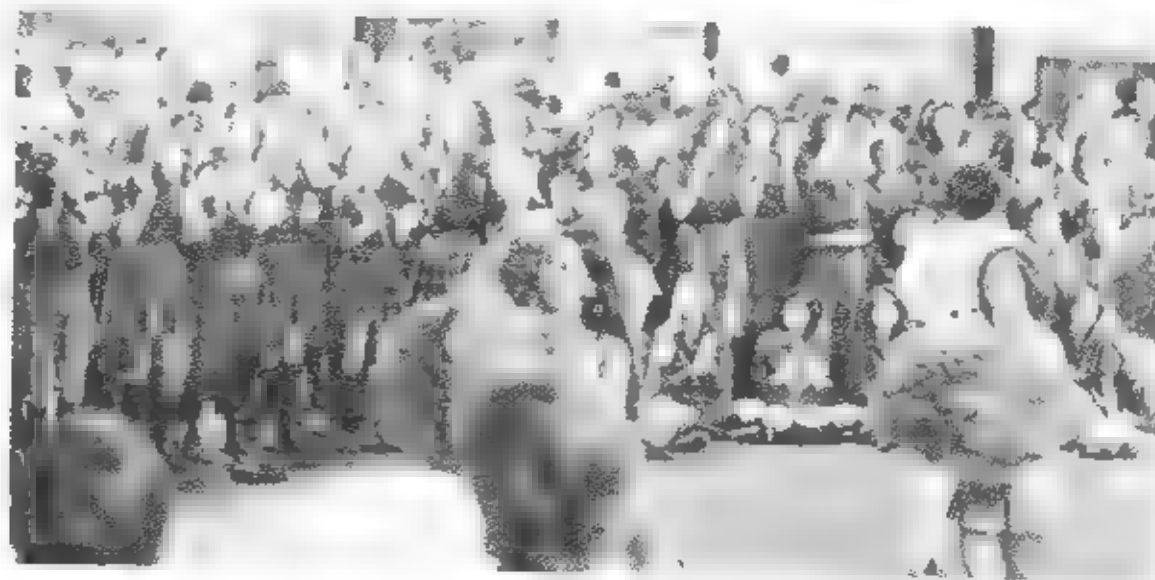

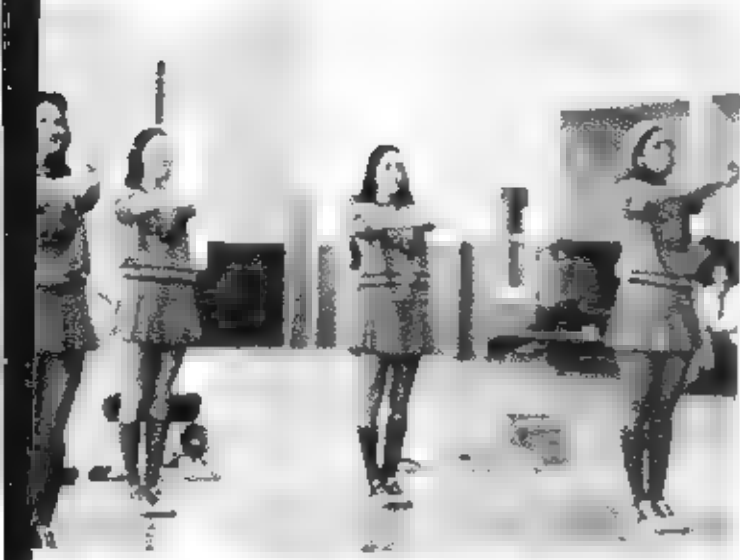

The Gospel provides the students with the latest gossip, news, and calendar of events in and around school. It covers everything from school masses to writings on the bathroom wall. Under the supervision of Mrs. Jones, and later Miss Schmitt, the Gospel grew and prospered. Experimenting with Newsprint proved very successful. We hope to see more of it next year.

Blues Routine — Leadership and Spirit

School spirit always reached its height with the Blues! The very spontaneous spirit followed them wherever they went. This helped the girls become more involved in school activities.

Golf

This year, the St. Louis Golf Team had it's first full year of competition. They went to numerous tournaments, and in the majority of these, they placed very high. This includes 3rd in the Barbe tournament, 4th in the Starks tournament, and 4th in the regional tournament in Alexandria. One member of the team, Andre Hawkins, qualified for the state tournament. They are looking forward to an even better season next year. They feel that this is very probable due to the outstanding coaching they had from Coach Tom Finnie.

The St. Louis Tennis Team had many victories at the different tournaments they participated in throughout the year. We were proud of their sportsmanship, and representation they gave our school.

Coach Cordell DeRouen

This team was a very young aggressive football team. We grew a lot as the season went on and came very close to getting in the playoffs. Our district record was 4 wins 1 loss and 1 tie which was good enough for a 2nd place tie in the district. But 4 1st downs kept us at home.

Our season record of 5 wins 3 losses 2 ties is not a true picture of how good a team we were. The two ties we had were against the state champion and the state runner-up, Opelousas Catholic and South Cameron. The three losses were in hard fought, close games against tough teams.

I would like to congratulate the seniors on a fine season and thank them for all their effort and leadership. For the underclassmen, I would like to present the challenge of winning district and state in 1975.

Advent '74 . . . a Season to Reflect Upon . . .

Advent of 1974 was characterized by school teamwork as the Art Club decorated the Library and Commons, speakers offered their views and the Senior boys put forth an enormous effort in wrestling a Christmas tree for miles through the Moss Bluff jungle. As always, the Christmas Belles and cast of the Christmas play enlightened us on that last tedious day before the long awaited Holiday began.

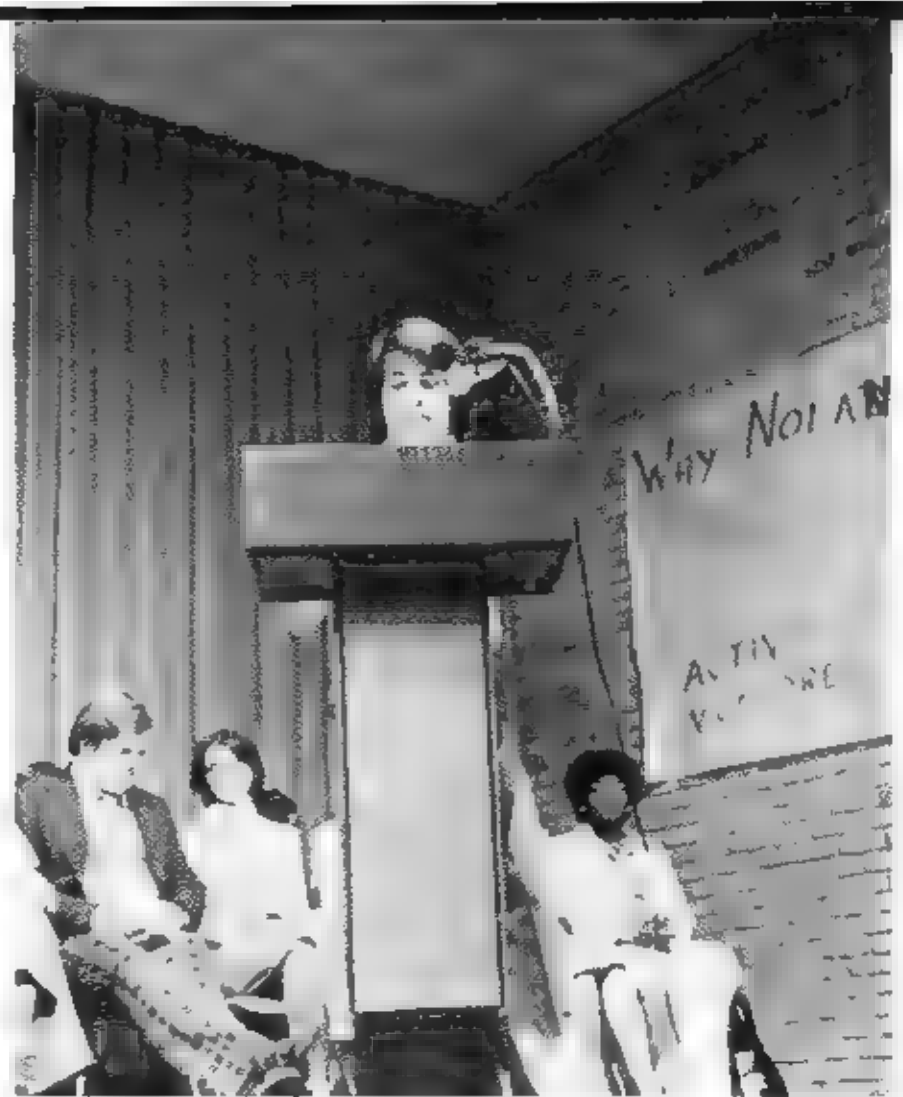

... a Season to Relive ...

Teachers Blushed, Boasted, and Got Pinned on Teacher Appreciation Day

Each year the faculty is honored with an assembly crediting them with what they deserve for putting up with us all year. This year's assembly was conducted by Fred Carter, our Student Council president. A little background information on each teacher was told, some embarrassing but always enlightening. Outgoing faculty members were honored from the students with gifts. After the assembly each teacher was given a corsage or a boutonniere and a wish for a pleasant day.

Relaying the Message

This year's Lent program consisted of a sequence of movies, plays, and a monologue. We began Lent with a very touching movie, "I Never Sang For My Father". Our next assembly featured the movie called "The Velveteen Rabbit". We had a few programs on reconciliation, which included a play put on by selected students. We ended the Lenten programs with a monologue given by Mr. Harrington, concerning Hope. With the help of our staff of scripture teachers, we had a very meaningful Lent.

THE ROARING '20's

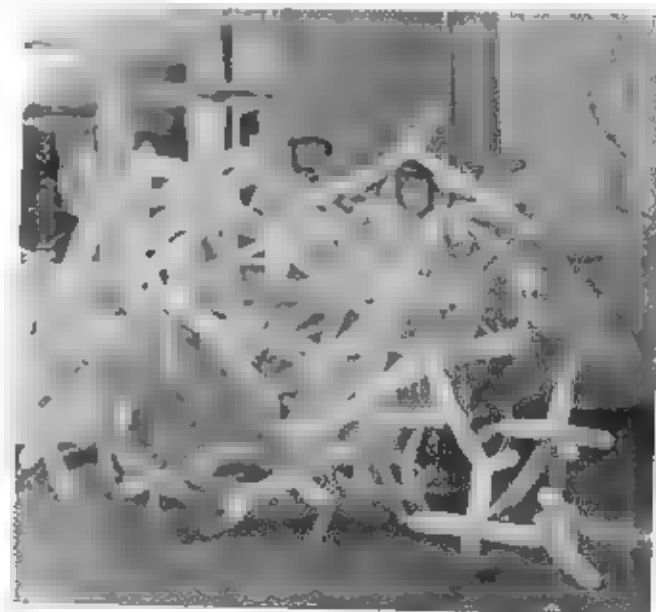

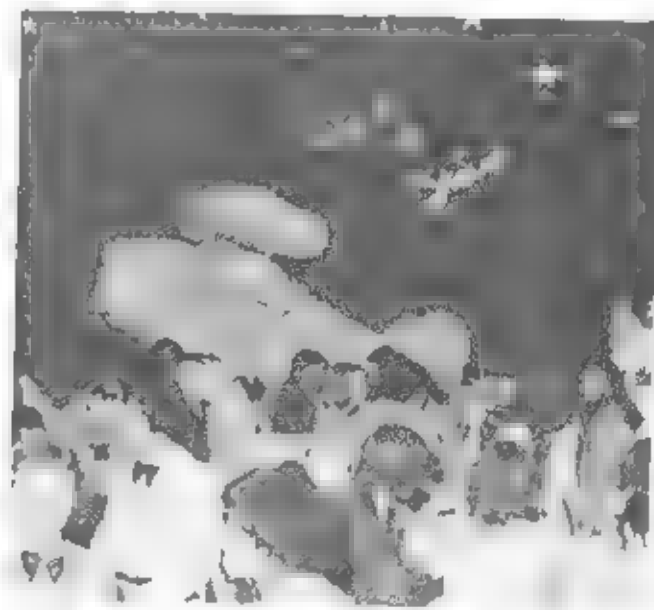

Proved to Be a Great 1975 Prom

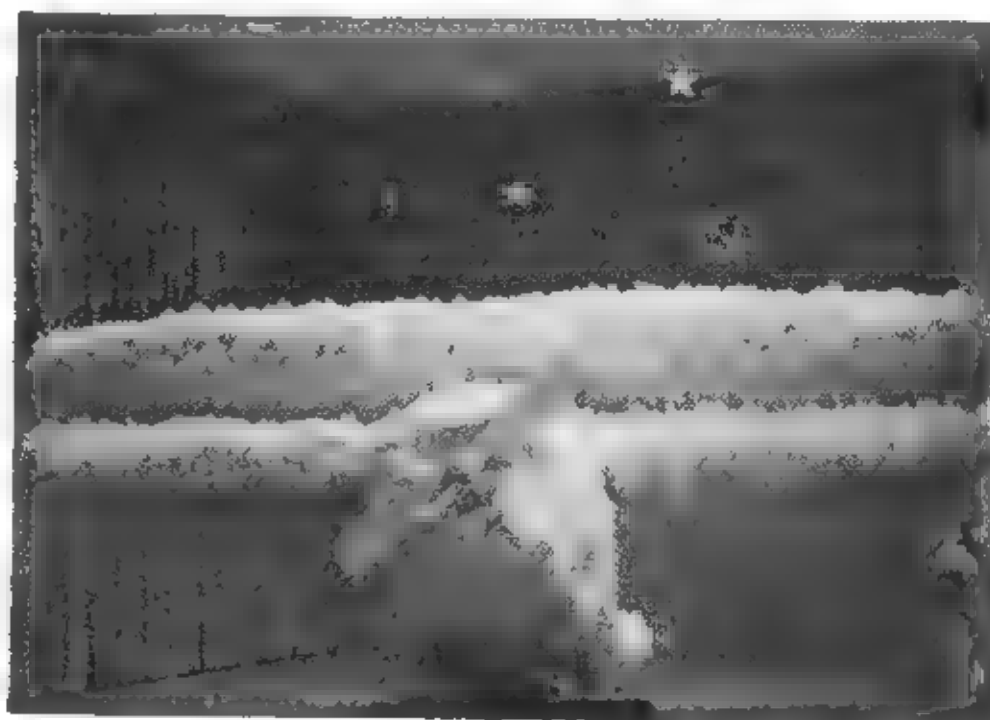

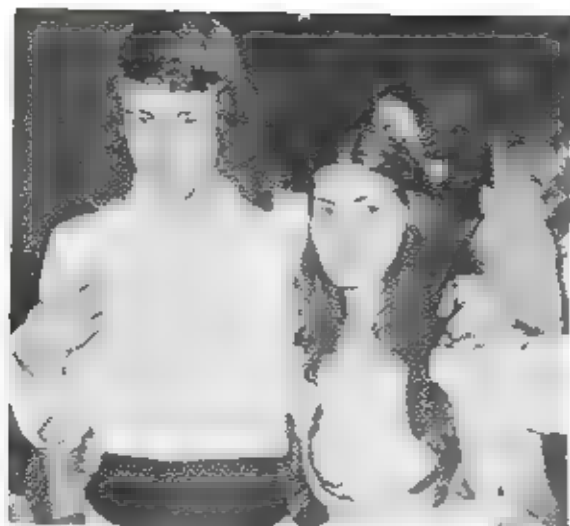

"We're Off to see the Wizard"-not quite. Due to a few loose lips, this year's Prom theme had to be changed from the "Wizard of Oz" to something else. We wanted a theme which would describe the Seniors. One word comes to mind-"Roaring", so what better theme than the "Roaring 20's". Working hard on decorations, Jrs. found that doughnuts and 2 o'clock just don't mix.

As one entered Prom, there was a Speak Easy complete with slot machines. Decorations included everything from a bi-plane to an antique auto complete with rumble seat. Glittering stars danced in the air. Music was provided by Shadowfax (from Beaumont). It was very evident that everyone who attended "had a blast." Of course! It WAS the best prom ever put on by any class, in the history of Landry, St. Charles, and St. Louis. We owe a great deal of thanks to all the Jrs. who worked on Prom and their sponsors.

Each year one girl and one boy in each class are chosen to receive the St. Louis Award. The students were selected to receive the award by a vote of their classmates. The recipients are chosen for outstanding leadership, character, service, and love of God and neighbor.

Modisette Award

This Citation of Merit, named for James O. Modisette who served devotedly and untiringly for the cause of library development in La., has been awarded to our library, The Landry Library, this year. It is in recognition of progress made during the past year. The accomplishments of this library are not only cause for pride, but pray honor to the memory of a true friend of libraries, James O. Modisette.

1975 Underclassmen Honors Assembly

This year's Honors Assembly held the school's record for the number of students receiving awards. Among the awards presented were awards for academic excellence and other school activities. Also the St. Louis Awards were given to the outstanding boy and girl in their class.

Early Admission Seniors '75

The early admissions program was again offered to St. Louis seniors. The purpose of the program was to expand the curriculum offered at St. Louis. It was opened to Seniors with 3.0 average during their time in high school, and a recommendation from the principal.

Lise Morin

Students who took part in this program were eligible to receive St. Louis diplomas. They were considered part-time college students and participated in co-curricular activities.

Pelican State — 1974

Each year five St. Louis students are chosen to participate in Pelican State. The purpose of the program is to give students from all over the state experience in government.

The government at Pelican State is paralleled to that of Louisiana. The participants are divided into the Nationalist and Federalist parties. Anyone can run for office. Pelican State has its own constitution and they have the power to make any laws. The trials are presided over by the Judge and District Attorney. Conventions are held in the same manner as that of the Democratic and Republican conventions.

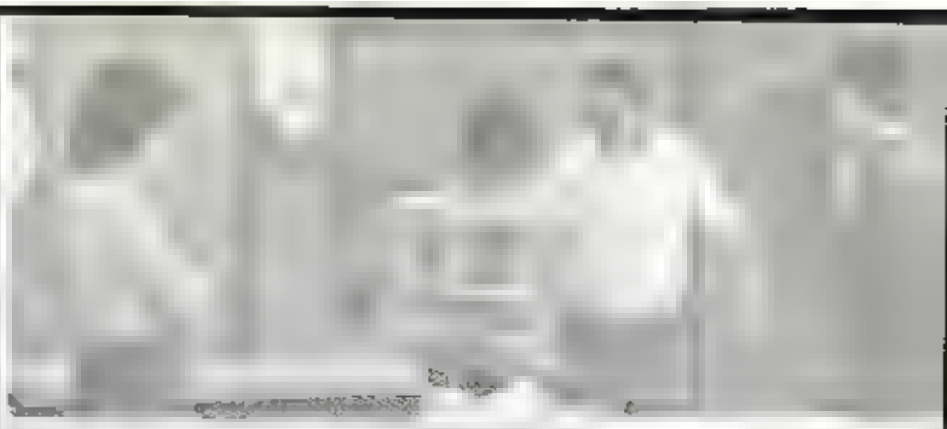

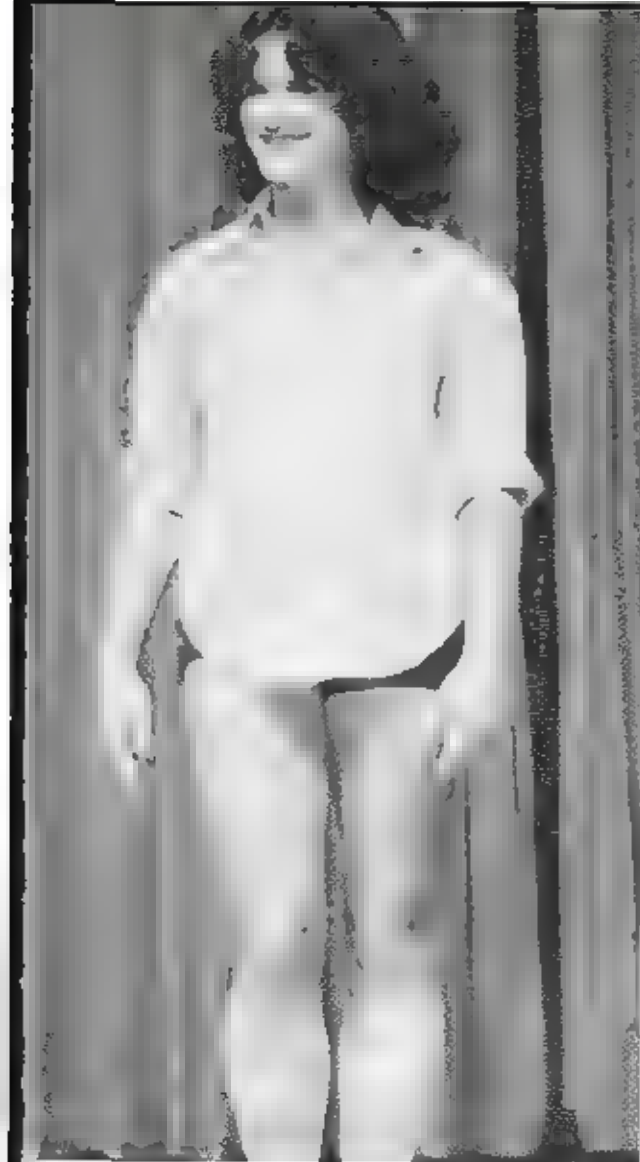

After experiencing Pelican State, Tommy Gennuso summed up the group's experience: "I was surprised at the complexity of these conventions and just how they are to a free American Society. I had a great time at the LSU campus and from the experience I have made friends from all over the state."
